A new lease of life

Authenticity is what defines our TIMELESS collection. As the name of the collection implies, the comprehensive range has stood the test of time. It compromises products from times gone by that have been given a new lease of life by FORMANI – some of which combined with elements of modern technology and functionality. The designs of the door handles in the TIMELESS collection can be traced back to the period from 1815 to 1952. The models are each named after the year in which they are fashioned.

Onze TIMELESS collectie staat voor authenticiteit. De naam verraadt al dat het gaat om een assortiment dat de tand destijds doorstaan heeft. De collectie bestaat stuk voor stuk uit producten van weleer die door FORMANI nieuw leven zijn ingeblazen, al dan niet gecombineerd met een stukje hedendaagse techniek en functionaliteit. De deurkrukken uit de TIMELESS collectie zijn te herleiden tot de periode 1815 – 1952 en de modellen zijn dan ook stuk voor stuk genoemd naar het jaartal waaruit het origineel dateert.

In Antwerp, a former 19th-century Augustinian monastery was transformed into Hotel August under the direction of architect Vincent Van Duysen. The renovation brings a contemporary comfort while keeping the building's contemplative character clearly present throughout the interior.

Within this calm and measured environment, the TIMELESS collection contributes to a sense of continuity and stability. Traditional forms and a black finish align with the hotel's restrained architectural language, reinforcing its timeless atmosphere.

In Antwerpen is een voormalig 19e-eeuws Augustijnenklooster onder leiding van architect Vincent Van Duysen getransformeerd tot Hotel August. De renovatie brengt hedendaags comfort, terwijl het ingetogen en contemplatieve karakter
van het gebouw duidelijk voelbaar blijft in het interieur.

Binnen deze rustige, beheerste omgeving draagt de TIMELESS-collectie bij aan een gevoel van continuïteit en stabiliteit. De traditionele vormentaal en zwarte afwerking sluiten aan bij het ingetogen architectonische karakter en versterken de tijdloze uitstraling van het interieur.
